### Tinubu Tenders Educational Records from Chicago State University

President Bola Tinubu has submitted his educational records from Chicago State University and immigration documents as part of his defence in the petition filed by Atiku Abubakar and the Peoples Democratic Party (PDP) before the Presidential Election Petition Court (PEPC).

The certified academic records and immigration documents were presented to support Tinubu's case.

The records include 12 documents from Chicago State University, certified on June 28, 2023, by Jamar C. Orr, the Associate General Counsel, Office of the Legal Affairs, Chicago State University.

Additionally, six copies of immigration and visa records pertaining to Tinubu's trips to the US between 2011 and 2021 were tendered.

### Background

The petition by Atiku Abubakar and the Peoples Democratic Party (PDP) alleges that Tinubu failed to disclose details of his academic qualifications in Form EC9. The legal teams of Mr Tinubu, APC, and INEC kicked against the tendering of the President's US varsity academic records from Atiku's witness.

## Tinubu's Academic Records

Tinubu's academic records from the Chicago State University were tendered by his lawyer, Chief Wole Olanipekun (SAN), as part of his defence in the petition by Atiku Abubakar and the Peoples Democratic Party (PDP).

Lauren Finch, a spokeswoman for Chicago State University, said Mr Tinubu's academic records are covered by American privacy regulations.

However, Tinubu's record at Chicago State University is impeccable. On May 28, 1979, a letter signed by Andrew F. Brimmer, the then President of the university, stated that Tinubu had completed the requirements for the Bachelor of Science degree in Accounting.

## Tinubu's NYSC Certificate

The petition by Atiku Abubakar and the Peoples Democratic Party (PDP) alleges that Tinubu failed to disclose details of his academic qualifications in Form EC9. Tinubu has also tendered his NYSC discharge certificate, number, OY/FORN/82/9106, which confirms that he served at Haboni Engineering Company, Ibadan in the 1982/83 batch.
